

# Innovation and Research Caucus Members A to Z

## ACADEMIC MEMBERS

---

### A

#### **Dr Jackie Abell**

Coventry University

[Website/staff profile](#)

Research areas: Human-nonhuman-animal relations, social networks, wildlife, environmental sustainability, identity, behaviour

#### **Dr Simon Adderley**

Oxford Brookes Business School

[Website/staff profile](#)

Research areas: Social enterprise, social innovation

#### **Dr Samuel Adomako**

University of Birmingham

[Website/staff profile](#)

Research areas: Open Innovation; frugal innovation; firm innovation

#### **Mrs Azka Affan**

Teesside University

Research areas: Digital Placemaking, Entrepreneurial Well-being

#### **Dr Mersha Aftab**

Birmingham City University

Research areas: Design thinking, design value and digital adoption and innovation

#### **Dr Keivan Aghasi**

University of Sheffield

[Website/staff profile](#)

Research areas: Scale-up, SME growth, high-tech start-ups and exit of start-ups & SMEs

#### **Dr Aaron Ahali**

University of Reading

[Website/staff profile](#)

Research areas: Governance, political economy of corruption, regulatory and institutional economics, and the political economy of industrial policy

#### **Dr Ali Ahmad**

University of Warwick

[Website/staff profile](#)

Research areas: business incubators; corporate innovation; entrepreneurship; new venture creation

#### **Dr Ramjanul Ahsan**

Sheffield Hallam University

[Website/staff profile](#)

Research areas: Sustainability, research commercialisation, internationalisation, entrepreneurship

**Dr Ashraful Alam**

University of Salford

[Website/staff profile](#)

Research areas: Sustainability, governance, Fintech, and innovation

**Dr Ibrahim Al-Jubari**

Brunel, University of London

Research areas: Entrepreneurship, SMEs, Digital Transformation

**Dr Raida Al Kassas**

Liverpool John Moores University

[Website/staff profile](#)

Research areas: Anotechnology and pharmaceutical science

**Dr M Sanni Ali**

London School of Hygiene and Tropical Medicine

Research areas: Research methods, diagnostics, vaccines

**Dr Avar Almukhtar**

Oxford Brookes University

Research areas: Innovative Technologies, Sustainable Urban Design, XR, Co-creation

**Dr Richmond Kwesi Ansah**

University of Manchester

[Website/staff profile](#)

Research areas:

**Prof Sajia Anwar**

Institute of Management Sciences Peshawar Pakistan

Research areas: Customer Analytics, app code quality improvement, software architecture evaluation, mining software repositories, mapping requirements to architecture

**Dr Ozlem Araci**

University of Portsmouth

Research areas: Social impact, diversity and inclusion, human resource management

**Dr Alberto Asquer**

SOAS University of London

Research areas: Regulation, emerging technologies, finance, management

**B****Dr Afsaneh Bagheri**

University of Lincoln

[Website/staff profile](#)

Research areas: Entrepreneurship, innovation, leadership, education

**Dr Jiping Bai**

University of South Wales

[Website/staff profile](#)

Research areas: Sustainable materials; Structural engineering; Fibre-reinforced polymer (FRP); Structural health monitoring

**Dr Maria Balta**

University of Kent

[Website/staff profile](#)

Research areas: Digital technologies, sustainability, business growth, innovation

**Dr Justyna Bandola-Gill**

University of Birmingham

Research areas: Research evaluation, impact, knowledge exchange, research policy

**Dr Nicola Banks**

University of Manchester

[Website/staff profile](#)

Research areas: Poverty, inequality, development NGOs

**Dr Naheed Bashir**

University of Exeter

[Website/staff profile](#)

Research areas: Innovation Adoption and Diffusion

**Dr Tina Basi**

University of Cambridge

Research areas: Sociology, ethnography, identity, technology, health, wellbeing, wellness, mindfulness, meditation

**Mrs Emily Bastable**

University of Southampton

Research areas: Knowledge Exchange and Social Enterprises

**Dr Bettina Becker**

Durham University

[Website/staff profile](#)

Research areas: Innovation policy, eco-innovation, economics of innovation and open innovation

**Prof Harris Beider**

University of Bradford

Research areas: Research strategy and leadership

**Ms Asmaa Belal**

Waseda University

Research areas: Organizational Learning, Innovation and Careers

**Dr Leonardo Bezerra**

University of Stirling

[Website/staff profile](#)

Research areas: Artificial intelligence, accountability, responsible AI

**Dr Anshuman Bhardwaj**

University of Aberdeen

[Website/staff profile](#)

Research areas: Geospatial analysis, landcover and land-use dynamics, climate change impacts, sustainable development

**Dr Paroma Bhattacharya**

London School of Economics and Political Science (LSE)

[Website/staff profile](#)

Research areas: Social Innovation, Social Entrepreneurship, Organizational Behaviour, New Venture Teams

**Dr Sabeen Hussain Bhatti**

Teesside University

[Website/staff profile](#)

Research areas: Innovation Management, sustainability, digital transformation

**Dr Chloe Billing**

City-REDI, University of Birmingham

[Website/staff profile](#)

Research Areas: Innovation, Firm-level competitiveness, commercialisation, productivity

**Dr Arnaz Binsard**

Wrexham University

Research areas: Innovation, Artificial Intelligence, Programming, Data Analytics

**Dr Outi Blackburn**

Anglia Ruskin University

[Website/staff profile](#)

Research areas: Qualitative methods, digital platforms, Circular Economy

**Ms Danielle Blumer**

University of Glasgow

Research areas: Neurological diseases, medical devices

**Dr Anna Bogush**

Coventry University

Research areas: Water treatment technologies, sustainable materials, circular economy, research-based policy recommendations

**Mr Andrew Borland**

University of Liverpool

Research areas: Economic regeneration from R&D, HEI placed based innovation, SME productivity and innovation, Green Reindustrialisation

**Dr Ezekiel Boro**

Liverpool School of Tropical Medicine, UK

Research areas: Innovation Capacity Strengthening, Global Access, Market Access, Entrepreneurship and Innovation

**Dr Jane Bourke**

University College Cork

[Website/staff profile](#)

Research areas: Innovation Capacity Strengthening, Global Access, Market Access, Entrepreneurship and Innovation

**Prof Roger Bromley**

University of Huddersfield

[Website/staff profile](#)

Research areas: Meta-innovation, digitalisation, innovation ecosystems, AI

**Dr Christopher Buckingham**

University of Southampton

Research areas: Commercialisation, consumer tribes, crowdfunding, impact

**C****Ms Wanlin Cai**

University of Oxford

[Website/staff profile](#)

Research areas: Innovation, university-industry-government collaboration, higher education

**Prof Raffaella Calabrese**

University of Edinburgh

Research areas: Artificial Intelligence, Digital Innovation, Small business, Firm financing, Firm survival, Innovation

**Dr Zheng Cao**

Aston University

[Website/staff profile](#)

Research areas: Sustainable consumption, regional development, global strategy, spatial econometrics

**Prof Benedetta Cappellini**

Durham University

Research areas: Food consumption, gender and consumption, family consumption

**Prof Dominic Chalmers**

University of Glasgow

Research areas: Technology, productivity, AI, entrepreneurship

**Dr Gerald Chan**

University of Manchester

Research areas: Locational Choice/Strategy; Geography of Innovation; Spatial Inequalities

**Prof David Charles**

Northumbria University

[Website/staff profile](#)

Research areas: region, innovation policy, universities, knowledge exchange

**Prof Kausik Chaudhuri**

Leeds University

Research areas: Role of R&D, Innovation, ESG and reputation

**Prof Bowei Chen**

University of Glasgow

[Website/staff profile](#)

Research areas: Data Science; Machine Learning; Quantitative Marketing; Mathematical Finance; Information Systems

**Dr Rushi Chen**

Leeds University

[Website/staff profile](#)

Research areas: Causal analysis, Sustainable Development, Trade and Innovation, Policy analysis

**Dr Ruth Cherrington**

University of Exeter

Research areas: Circular Economy, Sustainable Practices, Community Resilience

**Dr Farzana Chowdhury**

University of Durham

[Website/staff profile](#)

Research areas: Entrepreneurship, innovation, institutions

**Ms Mia Clarke**

University of Glasgow

[Website/staff profile](#)

Research areas: Entrepreneurship, social innovation, regional development

**Prof Nick Clifton**

Cardiff Metropolitan University

[Website/staff profile](#)

Research areas: innovation, regional development, networks

**Dr Sara Closs-Davies**

University of Manchester

[Website/staff profile](#)

Research areas: Social inequality, accounting, public administration

**Dr Mehmet Kerem Coban**

SOAS, University of London

[Website/staff profile](#)

Research areas: Public policy, regulatory governance, political economy, public administration

**Dr Anna Conolly**

University of Surrey

Research areas: Wellbeing, women's mental health

**Prof Carlo Corradini**

Henley Business School, University of Reading

[Website/staff profile](#)

Research areas: Innovation, Economic geography, Spatial econometrics, Big Data analytics

**Prof Marc Cowling**

Oxford Brookes Business School

Research areas: Small business, Financing and investment, Survival and growth, Innovation

**Dr Pip Crane**

University of Sussex

Research areas: Innovation; Biomedical science; financial systems; policy; entrepreneurship

**D****Dr Christopher Daley**

London School of Economics

[Website/staff profile](#)

Research areas: Research professionals as R&amp;I enablers

**Dr Mahboobeh Davaei**

Loughborough University

[Website/staff profile](#)

Research areas: International Business, Digital Strategy, Artificial Intelligence, Digital Ethics

**Dr Xin Deng**

University of Manchester

[Website/staff profile](#)

Research areas: Business innovation, intellectual property, technological standards, innovation policies

**Dr Gemma Derrick**

University of Bristol

Research areas: Research evaluation, Research policy, Peer review and the societal impact of research

**Prof Stefano De Paoli**

Abertay University

[Website/staff profile](#)

Research areas: Digital society, social innovation, codesign

**Prof Panos Desyllas**

University of Bath

[Website/staff profile](#)

Research areas: Mergers and acquisitions, Business model innovation, IP management, Knowledge-intensive business services

**Prof Kev Dhaliwal**

University of Edinburgh

Research areas: Public services, values / culture and challenge led innovation, industry facing transformations

**Dr Ozge Dilaver**

Northumbria University

Research areas: Diffusion of innovations, technological sensemaking, regional innovation systems, urban innovation systems

**Dr Chris Dimos**

University of Bath

[Website/staff profile](#)

Research areas: Innovation economics, R&D returns, policy evaluation, regional development, technological clusters, micro econometrics

**Ms Weijia Ding**

University College London

Research areas: Innovation ecosystem; entrepreneurship; tech transfer; commercialisation

**Prof Beatrice D'Ippolito**

University of York

[Website/staff profile](#)

Research areas: Design innovation, organisational learning, creativity, digital technologies, artificial intelligence, organisational purpose

**Mr Peter Dixon**

National Institute of Economic and Social Research

Research areas: Forecasting; Data science; Machine learning

**Prof Iain Docherty**

University of Stirling

[Website/staff profile](#)

Research areas: Transport, mobility, cities, economy development

**Prof Nick Drydakis**

Anglia Ruskin University

[Website/staff profile](#)

Research areas: AI, Digital Competencies, Inequality, Inclusive Development

**E****Dr Abiodun Egbetokun**

De Montfort University

[Website/staff profile](#)

Research areas: innovation, entrepreneurship, technology management, artificial intelligence, economic development

**Prof Mohamed Esham**

Sabaragamuwa University of Sri Lanka

[Website/staff profile](#)

Research areas: Venture creation, university-industry collaboration, mentoring

**F****Dr Felicia Fai**

University of Bath

[Website/staff profile](#)

Research areas: Innovation, capabilities, industrial strategy, place-based

**Dr Michelle Farrell**

Coventry University

[Website/staff profile](#)

Research areas: Biodiversity conservation, environmental change

**Prof Sainey Faye**

Buckinghamshire New University

[Website/staff profile](#)

Research areas: Governance, Finance, Regulation, Ethics

**Dr Jen Fensome**

London School of Economics

Research areas: SHAPE commercialisation and impact, social sciences research

**Dr Rosa Filgueira**

University of Edinburgh

[Website/staff profile](#)

Research areas: Data Science, Metascience, AI/NLP, Text-Mining, Knowledge Graph and Data Linkage

**Dr Despoina Filiou**

The Open University

[Website/staff profile](#)

Research areas: Open innovation, AI and innovation, Adoption and diffusion of AI and Smart cities

**Dr Kieron Flanagan**

University of Manchester

[Website/staff profile](#)

Research areas: Research policy, Technology &amp; innovation policy, Research-performing organisations, International dimensions of S&amp;T

**Dr Chase Foster**

SOAS, University of London

Research areas: comparative political economy, competition law

**Dr Thanos Fragkandreas**

University of Westminster

Research areas: Innovation, Inequality, Innovation paradoxes, Organisational identity

**Dr Jana Fried**

Coventry University

[Website/staff profile](#)

Research areas: Planetary health, human geography, community health and wellbeing, local food systems, alien invasive species

**Dr Tamara Friedrich**

University of Warwick

[Website/staff profile](#)

Research areas: Creative cognition, creative teams, leading for creativity, creative problem-solving skills

**Dr Kun Fu**

Loughborough University London

[Website/staff profile](#)

Research areas: Innovation and Entrepreneurship

## G

### **Dr Bernhard Ganglmair**

University of Mannheim

[Website/staff profile](#)

Research areas: Patents, secrecy, technology standardization, competition

### **Dr Renfei Gao**

University of Manchester

[Website/staff profile](#)

Research areas: Innovation strategy, behavioral strategy, onmarket strategy

### **Dr Bryan Gardiner**

Ulster University

Research areas: AI, Data Analytics, Computer Vision

### **Dr Suhail Mohammad Ghouse**

Dhofar University

Research areas: Rural Entrepreneurship; Student Entrepreneurship; Internationalization; Consumer Behaviour

### **Prof Nigel Gilbert**

University of Surrey

[Website/staff profile](#)

Research areas: policy appraisal and evaluation; computational modelling; climate change

### **Dr Abdullah Gok**

University of Exeter

[Website/staff profile](#)

Research areas: social innovation, innovation policy, diversity

### **Dr Horacio Gonzalez**

Glasgow Caledonian University

[Website/staff profile](#)

Research areas: Innovation diffusion; Energy transition

### **Prof Gary Graham**

Liverpool LJMU

Research areas: Manufacturing and supply chains, AI and deep learning tech

### **Dr Hannah Graham**

University of Stirling

[Website/staff profile](#)

Research areas: Innovation, research impact, policy engagement, criminal justice

### **Prof Rachel Granger**

De Montfort University

[Website/staff profile](#)

Research areas: Creative and digital industries, smart cities, economic growth, innovation ecosystems, industry 5.0

### **Prof Anne Green**

University of Birmingham

[Website/staff profile](#)

Research areas: Labour markets, R&I workforce, Policy innovation, Place-based innovation

**Prof William Green**

University of Birmingham

[Website/staff profile](#)

Research areas: Responsible Technology and Innovation, Socio-technical systems, Human Factors, Technology and innovation, healthcare, market research

**Dr Anna Grosman**

Loughborough University London

Research areas: Innovation and entrepreneurship, international business and relations, corporate governance, ecological transitions

**Prof Roberta Guerrina**

University of Bristol

Research areas: Intersectionality; gender equality; diversity mainstreaming

**Dr Guven Gurkan Inan**

Heriot-Watt University

[Website/staff profile](#)

Research areas: Digital transformation, Organisational Capabilities, Continuous Improvement

## H

**Prof Nick Hajli**

Loughborough University

[Website/staff profile](#)

Research areas: Responsible AI; Big data; Digital strategy; Digital ethics

**Mr Amir Hakaki**

Henley Business School

Research areas: Business Model, Open Innovation, SMEs, Sustainability

**Dr Andrew Hansen-Addy**

University of Greenwich

[Website/staff profile](#)

Research areas: SMEs, Small businesses Innovation and Developing countries

**Dr Samantha Harper**

University of Oxford

[Website/staff profile](#)

Research areas: Impact, Engagement, Innovation

**Mr David Hearne**

University of Birmingham

[Website/staff profile](#)

Research areas: Regional economics, Spatial econometrics, Populism, Subnational

**Dr Michael Henry**

University of Birmingham

[Website/staff profile](#)

Research areas: Economic development; firm performance; policy evaluations; effects of climate change

**Dr Inge Hill**

[Website/staff profile](#)

Research areas: Support of innovation within firms, place and SMEs

**Dr Charlotte Hoole**

University of Birmingham

[Website/staff profile](#)

Research areas: Governance; institutions; devolution

**Dr Alexis Holden**

University of Lancashire

Research areas: Productivity, collaboration, workforce development

**Dr Michelle Holmes**

Health Sciences University

[Website/staff profile](#)

Research areas: Workforce development

**Prof Michael Hopkins**

University of Sussex

[Website/staff profile](#)

Research areas: Innovation systems; Innovation policy; innovation policy instruments; evaluation of policy; medical innovation; research evaluation

**Dr Shuangfa Huang**

University of Sheffield

[Website/staff profile](#)

Research areas: Venture Growth, University Spinouts, Innovation, Sustainability

**Prof Robert Huggins**

Cardiff University

[Website/staff profile](#)

Research areas: innovation, entrepreneurship, economic development, competitiveness

**Prof Anne Laure Humbert**

Oxford Brookes University

Research areas: Gender, diversity and inclusion in organisations, measurement of social and economic inequalities

I

**Dr Taofeq Ibn-Mohammed**

University of Warwick

[Website/staff profile](#)

Research areas: Industrial ecology, computational sustainability, circular economy, renewables

**Dr Abdullah Ijaz**

University of Greenwich

[Website/staff profile](#)

Research areas: Entrepreneurship, Innovation, Conflict, Development Economics, Growth

**Dr Efe Imiren**

University of Suffolk

[Website/staff profile](#)

Research areas: Entrepreneurship, innovation, artificial intelligence, digital technologies, digital transformation

**Dr Carolin Ioramashvili**

University of Sussex

[Website/staff profile](#)

Research areas: geography of innovation, innovation economics, labour economics

## J

**Dr Geetika Jain**

Keele University

[Website/staff profile](#)

Research areas: Sustainable innovation, blockchain governance, application of blockchain technology, technology diffusion and dissemination

**Miss Han Jiang**

University College London

[Website/staff profile](#)

Research areas: Public Policy, Public Administration, Health innovation and technology, Science Diplomacy

**Prof Andrew James**

University of Manchester

[Website/staff profile](#)

Research areas: Innovation, digitalization, adoption, policy

**Dr Su Jung Jee**

University of Sheffield

[Website/staff profile](#)

Research areas: Innovation management and policy, intellectual property, industrial dynamics of AI, sustainable and inclusive innovation

**Dr Becky Jones-Phillips**

Liverpool School of Tropical Medicine

Research areas: Innovation Capacity Strengthening, Market Access, Health Systems Strengthening

**Prof Andrew Johnson**

University of Huddersfield

Research areas: Innovation, SMEs, University collaboration

## K

**Dr Sou Hwan Kang**

Hong Kong University of Science and Technology (Guangzhou)

[Website/staff profile](#)

Research areas: Innovation, Evaluation and Competition, Higher Education, Institutional Change

**Dr Joanna Karmowska**

Oxford Brookes University

[Website/staff profile](#)

Research areas: SMEs, internationalization, innovation

**Prof Effie Kesimalou**

University of Bath

[Website/staff profile](#)

Research areas: Innovation, Sustainability, Economic development

**Dr Muhammad Mubeen Khadam**

University of Agriculture Faisalabad

Research areas: Climate Change Specialist, Mitigation and Adaptation strategies, Sustainable Agriculture

**Dr Amr Khafagy**

London Metropolitan University

[Website/staff profile](#)

Research areas: Productivity analysis, Monetary economics, Agricultural economics

**Dr Huda Khan**

University of Aberdeen

Research areas: Climate change, sustainability, resilience, innovation

**Dr Muhammad Khan**

University of Plymouth

Research areas: Climate-Smart Agriculture, Ecosystem Restoration, Sustainable Development, Water Resource Management

**Prof Zaheer Khan**

University of Aberdeen

[Website/staff profile](#)

Research areas: International alliances, innovation, international new ventures, SMEs internationalization

**Prof Sangeeta Khorana**

Aston University

[Website/staff profile](#)

Research areas: Trade governance; Digital Trade; GVCs

**Dr Karan Khurana**

Webster University

Research areas: Marketing, Supply chain management, Product development, Branding

**Prof Paul Kingston**

University of Chester

Research areas: Ageing, mental health, safeguarding

**Prof Fumi Kitagawa**

University of Birmingham

[Website/staff profile](#)

Research areas: innovation policies, entrepreneurial ecosystems, universities, geography

**Dr Tasos Kitsos**

Aston University

[Website/staff profile](#)

Research areas: Regional economic resilience, Creative industries, Digital economy, Regional innovation

**Dr Konstantinos Kollydas**

University of Birmingham

[Website/staff profile](#)

Research areas: Skills, Local labour markets, Innovation, Labour Economics, Economics of education, Graduate retention and attraction, R&amp;D workforce

**Dr Franck Koman**

Global Land Programme, University of Maryland

Research areas: Land, Earth system, Climate change

**Dr Stephen Knox**

Stirling Business School

[Website/staff profile](#)

Research areas: Enterprise and innovation policy, Policy governance, Small business development

**Dr Lukas Kuld**

University of Limerick

[Website/staff profile](#)

Research areas: Economics of science and innovation, cultural economics, urban and regional economics

**L****Dr Saurabh Lall**

University of Glasgow

Research areas: social innovation, philanthropy, evaluation

**Mr Joseph Lam**

University College London

[Website/staff profile](#)

Research areas: Administrative data, data linkage methodology, research equity, public health

**Dr Joseph Larner**

University of Cumbria

[Website/staff profile](#)

Research areas: Guilds, business models, platform economy, entrepreneurship

**Dr Nico Lauridsen**

European University Institute

Research areas: Open Banking, Sandboxes, Open Finance, Fintech

**Dr Cornelia Lawson**

University of Manchester

[Website/staff profile](#)

Research areas: Knowledge transfer; science funding; diversity in science; researcher careers

**Ms Rasheedat Lawal**

Oxford brookes University

Research areas: Alzheimer's Disease, Nutrition, Cognitive Psychology

**Prof Elisabetta Lazarro**

University for the Creative Arts

[Website/staff profile](#)

Research areas: Markets, business, financing and policy of the creative industries

**Dr Minhuy Le**

Phenikaa University

[Website/staff profile](#)

Research areas: Deep learning, TinyML, Nondestructive testing, UWB Radar, Signal Processing

**Prof Tu Le Manh**

Phenikaa University

Research areas: Electrocatalysts; deep eutectic solvents; Baterry recycling; fuel cells

**Prof Helena Lenihan**

University of Limerick

[Website/staff profile](#)

Research areas: Economics of Innovation, R&amp;D subsidies and R&amp;D tax incentives, Innovation Policy, Policy Evaluation

**Miss Abigail Lennox**

University of East London

Research areas: Capability Approach, Menstruation, Shame and Stigma

**Dr Hongqin Li**

University of Nottingham

Research areas: Strategy, leadership and entrepreneurship

**Dr Kang Li**

University of South Wales

[Website/staff profile](#)

Research areas: Tunable Laser, Optical Sensor, Fiber Optics, Optical Metrology

**Dr Wenwei Li**

SOAS, University of London

Research areas: Innovation, sustainability, EV market, consumer psychology

**Dr Yajing Li**

University of Manchester

Research areas: innovation, entrepreneurship, industry-academia interaction, gender

**Dr Jinfeng Lu**

University of Leicester

Research areas: Entrepreneurial process, complex science, innovation diffusion

**Dr Kevin Lu**

Brunel University

[Website/staff profile](#)

Research areas: Business and Artificial Intelligence, Computational analytics

**Dr Siqiao Luan**

Queens University Belfast

Research areas: Innovation, Public policy, Knowledge management

**M****Dr Huanjia Ma**

University of Birmingham

Research areas: R&D, regional economics, firm innovation

**Prof Jill MacBryde**

University of Strathclyde

[Website/staff profile](#)

Research areas: interdisciplinary research, innovation, manufacturing

**Dr Farsan Madjdi**

University of Glasgow

[Website/staff profile](#)

Research areas: Entrepreneurship, Reverse Innovation, Innovations from the Global South, Inclusive Innovation

**Dr Samia Mahmood**

University of Wolverhampton

[Website/staff profile](#)

Research areas: Women Entrepreneurship, Entrepreneurial Finance, Women in Manufacturing, Digitalisation of SMEs, AI and Gender

**Prof Khaleel Malik**

University of Manchester

[Website/staff profile](#)

Research areas: Digitalisation of R&D, international technology transfer, open innovation, innovation policy.

**Mr Filipe Andre Martins Gomes**

Birkbeck, University of London

Research areas: Innovation Intermediaries, Value Creation, Innovation Management, Innovation Policy, Entrepreneurship, Strategy

**Dr Chiara Marzocchi**

Newcastle University

[Website/staff profile](#)

Research areas: entrepreneurial ecosystems, innovation ecosystems, knowledge exchange, knowledge diffusion

**Mr Kevin Maynard**

Oxford Brookes University

Research areas: Sustainable KE Groups within HEIs

**Dr Peter McLuskie**

Keele University

[Website/staff profile](#)

Research areas: entrepreneurship, innovation, creativity

**Prof Leaza McSorley**

National Institute of Economic and Social Research

[Website/staff profile](#)

Research areas: Productivity, macroeconomics, regional economics, labour economics

**Dr Ilze Mertena**

Manchester Metropolitan University

[Website/staff profile](#)

Research areas: high streets, independent businesses, customer experience

**Prof Stephen Millard**

Macroeconomic Modelling and Forecasting

[Website/staff profile](#)

Research areas: macroeconomics; central banking; productivity; climate

**Dr Matt Miller-Dicks**

University of Portsmouth

[Website/staff profile](#)

Research areas: Skill, Talent, Development, Learning

**Gemma Milne**

University of Glasgow

[Website/staff profile](#)

Research areas: Deep tech, Lab to market, Science entrepreneurship, Political economy

**Dr ELEM Miranda**

University of Glasgow

[Website/staff profile](#)

Research areas: Scaling-up, Digital start-ups, Digital Innovation

**Mr Daneyal Mirza**

Coventry University

[Website/staff profile](#)

Research areas: Generative AI within Careers Sector

**Mr Abdul-latif Mohammed**

University of Newcastle

Research areas: Social entrepreneurship, emerging markets, indigenous economies

**Dr Cara Molyneux**

Lancaster University

Research areas: Disability and work, labour market policy, digital inclusion

**Dr Javier Monllor**

Oxford Brookes University

[Website/staff profile](#)

Research areas: Refugee entrepreneurship, disaster entrepreneurship, entrepreneurship education, creativity

**Dr Duncan Moore**

University of Sussex

Research areas: research funding, bibliometrics, metascience, research fields, classification schemes

**Prof Norbert Morawetz**

University of Reading

Research areas: Research commercialisation, entrepreneurship education, venture funding, spinouts

**Prof Martin Morgan**

Loughborough University

[Website/staff profile](#)

Research areas: Infrastructure Supply Chains, Climate change finance (adaptation and mitigation), Infrastructure cost management

**Mr Michael Morton**

University of Sheffield

Research areas: Innovation Policy, Economics of Green Technology, Economic Geography, Knowledge Spillover and Diffusion Effects

**Prof Simon Mosey**

University of Nottingham and Gent University

[Website/staff profile](#)

Research areas: Technology entrepreneurship, entrepreneurship education and building a culture of innovation

**Dr Hajar Mozaffar**

University of Edinburgh

[Website/staff profile](#)

Research areas: Innovation and technology adoption, digital transformation, Artificial intelligence in practice

**Dr Imrose Muhi**

Teesside University

[Website/staff profile](#)

Research areas: Sustainable Construction Materials; Artificial Intelligence in Engineering; Resilience-based Design; Masonry and Heritage Structures

**Dr Kevin Mulligan**

Queen's University Belfast

[Website/staff profile](#)

Research areas: Firm-level innovation; Research and Development (R&amp;D); Innovation policy; Policy mix

**Prof Surender Munjal**

Aston University

[Website/staff profile](#)

Research areas: Innovation, Internationalization, Emerging Markets

**Miss Nadeesha Muthuthantrige**

Keele University

[Website/staff profile](#)

Research areas: Modern Slavery, Sustainability, Climate Change, Corporate governance

## N

### **Dr Padmi Nagirkandalage**

Nottingham Trent University

[Website/staff profile](#)

Research areas: System implementation, usage, Sustainability, Accountability, SMEs

### **Dr Mohammad Naiseh**

Bournemouth University

Research areas: Responsible AI; Explainable AI; AI Ethics; Trustworthy AI

### **Dr Rita Nana-Cheraa**

University of Warwick

[Website/staff profile](#)

Research areas: Innovation, Public support, diversity, HRM strategies

### **Mrs Jan Nardini**

Oxford Brookes University

Research areas: advanced technology transformation

### **Dr Shukhrat Nasirov**

University of Manchester

[Website/staff profile](#)

Research areas: Innovation, Technology Management, Intellectual Property Rights, Strategy

### **Dr Francois Nel**

University of Lancashire

[Website/staff profile](#)

Research areas: Media innovation, entrepreneurship, foresight methodologies, leadership development, media policy

### **Dr Anh Nghiem**

Buckinghamshire New University

[Website/staff profile](#)

Research areas: Marketing and social marketing, business management, consumer behaviour, management education, knowledge exchange

### **Dr Alice Ngo**

University of Sheffield

[Website/staff profile](#)

Research areas: Innovation, entrepreneurial support, cluster, ambidexterity, gender

### **Dr Thao Nguyen**

Nation Innovation Centre for Rural Enterprise

Research areas: Financing, growth, innovation, rural

### **Prof Brian Nicholson**

University of Manchester

Research areas: Digitalisation Accounting Innovation Adoption

### **Prof Katerina Nicolopoulou**

University of Strathclyde

[Website/staff profile](#)

Research areas: Entrepreneurial Leadership, Inclusive Entrepreneurship, Digital, social innovation, sustainability, interdisciplinarity

**Dr Theoni Noni**

University of Warwick

Research areas: Entrepreneurship, Inequality, micro-foundations

**Dr Dina Nziku**

University of the West of Scotland

Research areas: Women entrepreneurs, Entrepreneurship policy, Refugees entrepreneurs, Funding support

**O****Prof Alis Oaneca**

University of Oxford

Research areas: Research on research, innovation ecosystems, RRI, higher and tertiary education

**Mr Henry Oguguo**

University of Strathclyde

Research areas: Digital Transformation, SME Growth, Resource-constrained contexts, Qualitative Study

**Prof Kathryn Oliver**

LSHTM

[Website/staff profile](#)

Research areas: Evidence use, knowledge mobilisation, evaluation, knowledge exchange

**Dr Emeka Oruh**

Brunel, University of London

Research areas: HRM, Organisational behaviour and Employment Relations

**Dr Sarah Otner**

University of Sussex

[Website/staff profile](#)

Research areas: Prizes, Networks, Expertise, Mentorship

**Prof Beldina Owalla**

Oxford Brookes University

[Website/staff profile](#)

Research areas: Women entrepreneurship, business innovation, leadership, diversity and inclusion

**Prof Alice Owen**

University of Leeds

[Website/staff profile](#)

Research areas: Environmental sustainability; SMEs and green innovation

**P****Mr George Paily**

Enterprise Research Centre, Aston Business School

[Website/staff profile](#)

Research areas: Innovation, Firm Growth, SMEs|Capabilities

**Dr Ashkan Pakseresht**

Brunel, University of London

[Website/staff profile](#)

Research areas: Innovation Adoption and Diffusion

**Dr Ravi Pandit**

Cranfield University

Research areas: Wind energy, operation &amp; maintenance, Machine Learning, optimisation

**Prof Theodoros Papaioannou**

The Open University and Innogen Institute

[Website/staff profile](#)

Research areas: Inclusive innovation, politics of innovation, innovation systems, international development

**Prof Mandy Parkinson**

University of Salford

[Website/staff profile](#)

Research areas: Micro businesses and SMEs, innovation, digital, skills and productivity

**Dr Katherine Parsons**

Cardiff Business School

[Website/staff profile](#)

Research areas: Inclusive innovation; Purposeful Business; Entrepreneurship education and development; New venture creation

**Dr Lara Pecis**

Cardiff Business School

[Website/staff profile](#)

Research areas: Gender, inequalities, innovation, entrepreneurship, inclusion

**Mrs Kate Penney**

University of Manchester

[Website/staff profile](#)

Research areas: Regional inequalities, power dynamics, governance

**Dr Jessica Pilgrim-Brown**

Bristol University

Research areas: Equality, Diversity and inclusion

**Ms Adele Piper**

University of Dundee

Research areas: Healthcare, sustainability, design and improvement

**Dr Daniel Prokop**

Cardiff University

[Website/staff profile](#)

Research areas: Entrepreneurship, Innovation, Regional economic, Development, Networks

**Q****Dr Fei Qin**

University of Bath

Research areas: entrepreneurship, innovation, ecosystems, skills

**R****Prof Roya Rahimi**

University of Wolverhampton

[Website/staff profile](#)

Research areas: Marketing, digitalising, entrepreneurship

**Dr Shanta Rajapaksha Yapa**

Sri Lanka Institute of Information Technology

[Website/staff profile](#)

Research areas: Innovation, commercialization, technology adoption

**Dr Slawomir Raszewski**

University of East London

[Website/staff profile](#)

Research areas: Energy security, Environmental and Social Governance, Sustainability, innovation, low-carbon transition

**Mr Ian Reid**

The Open University

[Website/staff profile](#)

Research areas: Industrial cluster, innovation policy, industrial policy

**Dr Asma Rezaei**

Anglia Ruskin University

[Website/staff profile](#)

Research areas: University-industry collaboration, Sustainability and circular economy, AI and innovation with Business, Knowledge and Technology transfer

**Dr Dalila Ribaudo**

Aston University

Research areas: Innovation policy, technology transfer, manufacturing, FDIs, GVCs, environmental innovation

**Dr Kate Ringham**

Oxford Brookes University

Research areas: Sustainability frameworks, small business sustainability, business innovation

**Prof Katharine Rockett**

University of Essex

[Website/staff profile](#)

Research areas: Innovation, competition, technology

**Dr Fraser Rowan**

University of Glasgow

[Website/staff profile](#)

Research areas: Knowledge exchange, impact, commercialisation, design innovation

**Dr Tzameret Rubin**

Oxford Brookes University

Research areas: Innovation, knowledge flow, APS, FinTech, InsurTech, research impact, digital transformation, Business model innovation

**S****Dr La Ode Sabaruddin**

Universitas Airlangga

Research areas: Business model, design, innovation

**Dr Mehrzad Saeedikiya**

Queensland University of Technology

[Website/staff profile](#)

Research areas: Entrepreneurship, innovation, digital transformation

**Prof Sreevas Sahasranamam**

University of Glasgow

[Website/staff profile](#)

Research areas: Social innovation, Emerging technologies, Digital commons, Rural entrepreneurship

**Dr Evy Sakellariou**

Kingston Business School

[Website/staff profile](#)

Research areas: front-end of innovation, new knowledge creation, foresight, Gen AI management

**Dr Lydia Sam**

University of Aberdeen

[Website/staff profile](#)

Research areas: Environmental monitoring, remote sensing, GIS, land cover land use dynamics, cryosphere, geography

**Prof Kate Sang**

Heriot Watt University

[Website/staff profile](#)

Research areas: EDI at work, disability, gender, intersectionality

**Prof Mark Schankerman**

London School of Economics

Research areas: Innovation, Intellectual Property Rights, R&amp;D, Industrial Organisation

**Dr Stephanie Scott**

Durham University Business School

[Website/staff profile](#)

Research areas: Ecosystems, Networks, Agency, Social Network Analysis, Policy

**Dr Nicola Searle**

Goldsmiths, University of London

[Website/staff profile](#)

Research areas: Intellectual property, creative industries, trade secrets, cybersecurity

**Mr Samuel Yao Sebuabe**

Valley View University

Research areas: Machine Learning, Deep Learning, Explainable AI

**Prof Kostas Selviaridis**

Lancaster University Management School

[Website/staff profile](#)

Research areas: Innovation-oriented public procurement; pre-commercial procurement; innovation in supply chains

**Dr Julian Seng**

University of Greenwich

Research areas: Open innovation, entrepreneurial ecosystem, startup policy

**Dr Abhijit Sengupta**

University of Surrey

[Website/staff profile](#)

Research areas: University-industry linkages, research impact, knowledge management, knowledge networks

**Prof Phillip Shapira**

University of Manchester

[Website/staff profile](#)

Research areas: Science, technology and innovation policy, responsible innovation, regional innovation, evaluation

**Dr Yukun Shi**

University of Glasgow

[Website/staff profile](#)

Research areas: Digital Finance, Sustainability, Innovation

**Dr Jihoon Shin**

Hong Kong University of Science and Technology (Guangzhou)

[Website/staff profile](#)

Research areas: Innovation Management, Innovation Policy, Human Resources, Education

**Mr Md Razwan Siddique**

Aston University

[Website/staff profile](#)

Research areas: Ethics in Humanitarian Logistics

**Prof Nadia Siddiqui**

Durham University

[Website/staff profile](#)

Research areas: School, education, poverty, Higher Education Access

**Prof. Dharmendra Kumar Singh**

Dr. C. V. Raman University

Research areas: VLSI, ANN, Analog, Solar Energy System, PV Cell, Digital Electronics

**Mr Ahsan Siraj**

Zhengzhou University

Research areas: Sustainable Consumption, Digitalisation, New-Age Technologies, FinTech, Sustainable Business Practices

**Dr Robert Smith**

University of Edinburgh

[Website/staff profile](#)

Research areas: Science policy funding, responsible innovation and emerging technologies

**Prof Sue Smith**

University of Lancashire

[Website/staff profile](#)

Research areas: Entrepreneurship, SME Development, student enterprise, socio-economic impact

**Dr Ben Spigel**

Babson College

[Website/staff profile](#)

Research areas: Entrepreneurial ecosystems, inclusive entrepreneurship, regional economic development

**Prof Charalampos Stasinakis**

University of Glasgow

[Website/staff profile](#)

Research areas: Machine Learning, Quantitative Finance, Big Data Analytics, FinTech

**Prof Ute Stephan**

Kings College London

[Website/staff profile](#)

Research areas: Psychology of entrepreneurship, mental health, stress, well-being; social entrepreneurship, entrepreneurial culture & institutions

**Dr Simon Stephens**

Atlantic Technological University

[Website/staff profile](#)

Research areas: Ecosystems, Regions, Minorities and Education

**Dr Suzanne Stewart**

University of Chester

[Website/staff profile](#)

Research areas: Open research, metascience, research methods

**Dr Safia Suhaimi**

Cardiff Metropolitan University

[Website/staff profile](#)

Research areas: Design-led Innovation, Creative Industries, Research &amp; Development, Collaborative Culture

**Mr Nicholas Sweeney**

University of Manchester

Research areas: Innovation, Place-based Policy, Diffusion

**Mr Piotr Swiatek**

Cardiff Metropolitan University

Research areas: Service design, policy design, design-driven innovation

**Dr Theoni Noni Symeonidou**

University of Warwick

Research areas: Entrepreneurship, Inequality, micro-foundations

**Mr Igor Szpotakowski**

University of Leeds

Research areas: AI Regulation, Intellectual Property, Data Protection, Digitalisation

**T****Dr Saloomeh Tabari**

Cardiff University

[Website/staff profile](#)

Research areas: Consumption behaviour, creator marketing

**Dr Mina Tajvidi**

Queen Mary University of London

Research areas: AI, E-commerce, Digital Marketing, emerging technology and consumer behavior

**Dr Ema Talam**

Staffordshire University

[Website/staff profile](#)

Research areas: Innovation, Innovation policies, productivity

**Dr Shilpa Taneja**

University of Sheffield

Research areas: Sustainability, digitalisation, sustainable consumer behaviour, sustainable business strategies

**Dr Xiangming Tao**

University of Sussex

[Website/staff profile](#)

Research areas: Learning from failure, Responsible &amp; inclusive innovation, Entrepreneurship and innovation in extreme contexts

**Dr Alyx Taylor**

Health Sciences University

[Website/staff profile](#)

Research areas: Physical activity mental, physical health and wellbeing

**Dr Pattanapong Tiwasing**

University of Nottingham

[Website/staff profile](#)

Research areas: Rural enterprise, sustainable innovation, agricultural economics, quantitative analysis

**Prof Phil Tomlinson**

University of Bath

[Website/staff profile](#)

Research areas: Industrial strategy, Regional Development, Regional Innovation

**Prof Andy Treen**

University of Exeter

[Website/staff profile](#)

Research areas: Knowledge Transfer, Multi-discipline innovation

**Dr Liz Trenchard**

Coventry University

[Website/staff profile](#)

Research areas: Ecology, green roof ecology

**Dr Francisco Trincado-Munoz**

Oxford Brookes University

[Website/staff profile](#)

Research areas: Analytics, Innovation, Network Analytics, Professional Services

**Prof Marcello Trovati**

University of Lancashire

Research areas: Applications of AI; Data Science; Digital Innovation

**Dr Eshref Trushin**

Leicester Castle Business School, De Montfort University

[Website/staff profile](#)

Research areas: economics of innovation, AI regulation, econometrics, impact evaluation, complexity science

**Prof Umut Tursken**

Coventry University

Research areas: Law and technology and societal security

**Prof Iis Tussyadiah**

University of Surrey

[Website/staff profile](#)

Research areas: Digital transformation and AI

**Prof Martin Tuuli**

Loughborough University

[Website/staff profile](#)

Research areas: Infrastructure Supply Chains, Climate change finance (adaptation and mitigation), Infrastructure cost management

**Mr Remy Twiringiyimana**

University College London

[Website/staff profile](#)

Research areas: Innovation ecosystems; R&amp;I systems, Universities, Development, Public policy

**Dr Charikleia Tzanakou**

Oxford Brookes University

Research areas: Gender, diversity and organisational change, academic careers, inclusive innovation

**U****Prof Elvira Uyarra**

University of Manchester

Research areas: Innovation policy, place-based innovation, university third mission, public procurement

## V

### **Prof Mauro Vallati**

University of Huddersfield

[Website/staff profile](#)

Research areas: Artificial Intelligence

### **Dr Carolina Velasco**

Liverpool School of Tropical Medicine

Research areas: Inclusion, technology transfer

### **Miss Rezvan Velayati**

Neoma Business School

Research areas: Crowdsourcing, open innovation, sustainability

## W

### **Dr Phillip Walker-Davies**

University of Bristol

Research areas: Supply chain management and responsive manufacturing systems

### **Dr Gary Walpole**

Cardiff Metropolitan University

Research areas: Organisational innovation, regional innovation, circular economy innovation, innovation leadership, dynamic capabilities, innovation programme development

### **Dr Jingxia Wang**

University of Sheffield

Research areas: Green infrastructure planning, spatial analysis, remote sensing and urban ecology

### **Mr Zheng (John) Wang**

University of Leeds

[Website/staff profile](#)

Research areas: SDGs in Higher Education, students' competencies, interdisciplinarity

### **Miss Zihan (Sophie) Wang**

University of Bath

Research areas: EconoGeography, Regional Innovation and Development, Place-based Industrial Strategy, Skills

### **Dr Robert Wapshott**

University of Nottingham

[Website/staff profile](#)

Research areas: Enterprise policy, Business support, Management practices in SMEs

### **Prof Anne Marie Ward**

Ulster University

[Website/staff profile](#)

Research areas: Trade behaviour, Corporate Social Responsibility, SDGs, community financial institutions

### **Dr Carla Washbourne**

University of Warwick

[Website/staff profile](#)

Research areas: Environment, Sustainability, Development, Urban

**Prof Don Webber**

University of Sheffield

[Website/staff profile](#)

Research areas: Academic research ecosystems, productivity, regions

**Miss Xinger Wei**

University of Manchester

[Website/staff profile](#)

Research areas: Technology Innovation, Artificial Intelligence, Innovation Performance and Quantitative

**Prof David Weild**

The Open University and Innogen Institute

[Website/staff profile](#)

Research areas: Catch-up, life sciences, public-private innovation

**Prof Fiona Whitehurst**

Newcastle University

[Website/staff profile](#)

Research areas: Entrepreneurship, identity, engaged scholarship

**Prof Nicholas Wilson**

University of Leeds

[Website/staff profile](#)

Research areas: Venture Capital, Private Equity, SME Finance, Corporate Performance, Credit Risk

**Prof Nick Wilton**

Oxford Brookes University

Research areas: Human Resource Management and Development, Labour Market Change, Skills and Competencies, Equality and Diversity

**Prof Eyal Winter**

Lancaster University

Research areas: Behavioral Economics, Industrial Organization, Innovation, Game Theory

**Mr Stephen Workman**

Oxford Brookes University

Research areas: Corporate Social Responsibility, Sustainability, ESG Reporting, Stakeholder Engagement, Circular Economy

**Dr Adrian Wright**

University of Lancashire

[Website/staff profile](#)

Research areas: Management, Work, Employment, Policy, workplace policy and practice

**Dr Betty Wu**

University of Glasgow

[Website/staff profile](#)

Research areas: Entrepreneurship, Private Equity, Finance and Society

**Dr Allison Wilde**

University of Kent

[Website/staff profile](#)

Research areas: Trust, Zero trust

## X

### **Dr Cora Lingling Xu**

Durham University

[Website/staff profile](#)

Research areas: time, education, higher education, inequalities

### **Dr Xin Xu**

University of Oxford

[Website/staff profile](#)

Research areas: Tertiary education, Research on Research, International and global education and research

### **Dr Zimu Xu**

Cranfield University

Research areas: entrepreneurship ecosystem, business growth, corporate entrepreneurship

## Y

### **Prof Fred Yamoah**

Buckinghamshire New University

[Website/staff profile](#)

Research areas: Sustainability, research and innovation

### **Dr Mu Yang**

Birkbeck, University of London

[Website/staff profile](#)

Research areas: Open and User Innovation, Big Data Analytics, Digital Economy, AI Fairness, Accountability, and Transparency

### **Dr Xiaoxiao Yu**

University of Manchester

Research areas: Innovation, Design, Technologies

### **Dr Xiaocan Yuan**

University of Warwick

[Website/staff profile](#)

Research areas: Drivers of firm innovation and growth; Emerging technological trends and firm performance; Green innovation; Knowledge space dynamics

## Z

### **Dr Efpraxia Zamani**

Durham University

[Website/staff profile](#)

Research areas: Inclusivity and diversity in innovation systems, impact of emerging technologies

### **Dr Xiaoyu Zhang**

Beijing Institute of Talent Development Strategy

Research areas: Regional innovation, Innovation Ecosystem, S&T Policy, Talent Mobility

### **Dr Qijun Zhou**

University of Glasgow

[Website/staff profile](#)

Research areas: Responsible innovation, digital transformation, human-machine interaction

**Mr Charles Zuwau**

University of Leeds

Research areas: Entrepreneurship, Institutions, Developing Economies

**NON-ACADEMIC MEMBERS**

---

**Dr Rudiger Ahrend**

OEDC

[Website/staff profile](#)

Research: Innovation, regional development, cities, place-based

**Dr Srinivasan Ananthraman**

Asland Inc

[Website/staff profile](#)

Research areas: Innovation economics, intellectual property, patent quality

**Mr Muhammad Asher**

Bank Al Habib Limited

Research areas: Marketing, Business Management, Operations Management

**Ms Joy Branigan**

RTC North

[Website/staff profile](#)

Research areas: Innovation, cluster mapping, business support

**Mr Albert Bravo-Biosca**

IGL (Nesta)

[Website/staff profile](#)

Research areas: Experimentation, data, evaluation, policy

**Dr Tim Curtis**

Complex Transformation

[Website/staff profile](#)

Research areas: Social innovation, Organisational, Complexity science, Sustainability

**Mrs Sheena Daley**

The Open University

Research areas: Social enterprise, innovation with third sector, public sector and SMEs

**Dr Jorge Gomez-Magenti**

Magenti Methodologies

[Website/staff profile](#)

Research areas: metascience, bibliometrics, knowledge translation

**Dr Owen Gower**

UK Council for Graduate Education

[Website/staff profile](#)

Research areas: Research, People, Diversity and EDI, Talent, skills and training

**Dr Susan Guthrie**

RAND Europe

Research areas: Research and Innovation Policy

**Dr Wray Irwin**

Escape Studios

[Website/staff profile](#)

Research areas: Social Innovation Systems Co-production

**Dr Alexandra Jugureanu**

Innovate UK KTN

[Website/staff profile](#)

Research areas: Social impact, innovation, systems, design

**Dr Anthony Killick**

Cultural Economy Middle East Research Centre

[Website/staff profile](#)

Research areas: Creative Industries, Film, Media, International, UK, Saudi Arabia

**Mr Nick King**

Henham

[Website/staff profile](#)

Research areas: Entrepreneurship, Innovation, Trade and Investment, Public Policy

**Mr Will Lecky**

Know Consulting

[Website/staff profile](#)

Research areas: Evaluation, appraisal, impact, space

**Mr David Legg**

Innovate UK

Research areas: Place, innovation, sustainability, skills

**Dr Hongyuan Liu**

Postulate Ltd

[Website/staff profile](#)

Research areas: POCT, Sensing, Diagnostic Instruments, Electronics, Algorithm

**Prof Tom MacMillan**

Ag-impact

[Website/staff profile](#)

Research areas: Strategy, Agriculture, Innovation, Co-creation

**Dr Thomas Massarvva**

Bionabu

Research areas: Global health innovation, Digital health, clinical research

**Dr Louise Maythorne**

Bath Spa University

Research areas: Knowledge exchange, research impact, commercialisation in SHAPE disciplines

**Dr Natalie Pankova**

Zinc

[Website/staff profile](#)

Research areas: Research and Innovation financing and commercialisation

**Mr James Phipps**

IGL (Nesta)

[Website/staff profile](#)

Research areas: Experimentation, data, evaluation, policy

**Dr George Richardson**

IGL (Nesta)

[Website/staff profile](#)

Research areas: Metascience, innovation and entrepreneurship

**Mr Paul Robert**

CollaborateHE Ltd

[Website/staff profile](#)

Research areas: Innovation Skills; Culture; Sociology of Higher Education

**Mrs Cristina Rosemberg**

Technopolis Group

[Website/staff profile](#)

Research areas: Emerging technologies, R&amp;I international collaboration, multidisciplinary research, research infrastructures

**Tanya Sheridan**

Royal Society of Chemistry

[Website/staff profile](#)

Research areas: Deeptechs, chemistry, skills, culture

**Ms Emily Shipp**

University of Edinburgh

[Website/staff profile](#)

Research areas: Prospection, Future thinking, Possibility and Innovatio

**Dr Benjamin Steyn**

DSIT

Research areas: Metascience

**Ms Stefanie Thorne**

University of the Arts London

Research areas: Ethnography, student knowledge exchange, placemaking and innovation, research enablers

**Mr Nick Woodward**

Connected Places Catapult

Research areas: Procurement of Innovation, Innovation Districts, Climate Cities Investment, Freeport Innovation
